

# *For Aliz and Dheivid with love...*

*30th June 2023*

They met in 2019 when they were both working hard.  
It was only for one day but their love was written in the stars.

Six months passed but they were destined to meet again.  
They enjoyed each other's company and were the best of friends.

But then something changed and they looked at their relationship differently.  
It was like a light had switched on and today the rest is history.

Their first date took place at a car show in Derry.  
It was a wonderful experience shared with his family.

There have been many other day trips and nights out since then.  
They've made plenty of memories and are a beautiful blend.

Péter and Melinda think Dheivid is wonderful and caring.  
They watch him with their daughter and how he's made her his darling.

They see how he comforts, supports and honours his girl.  
They see the light in her eyes and how he fills up her world.

When they walk and hold hands they know how to be together.  
They're affectionate and loving and made for one another.

Luiz and Silvana were impressed with Aliz from the start.  
She held many fine qualities that conquered their hearts.

They are overjoyed to see their son happy and full of laughter.  
And are glad to welcome Aliz into their family as another daughter.

It was Christmas Day 2022 - a typical celebration for me and for you.  
But it was different for our lovely couple today.  
He gave her a present and in her life he would stay.

Dheivid looked at Aliz and knew he'd found his future wife.  
She was determined and independent and selflessly kind.

Aliz looked at Dheivid and knew she'd found her future husband.  
He was hard working and ambitious and very compassionate.

He loves that she's helpful and purposeful in all her goals.  
She loves his sense of humour and all the mischief it holds.

They have dreams and plans that they want to make happen.  
They want to share their cultures and traditions and to go travelling.

They want to set up a home that they can share with their children.  
And let God guide their footsteps with all of his infinite wisdom.

Dheivid and Aliz we wish you joy on your special day.  
Thank you for allowing us to share it in this most magical way.

We are all here to support you as you make your vows.  
Your family and friends are delighted and immensely proud.

Two young people we care about who love and fate sealed together.  
From this day forth we wish you contentment and happiness  
always and forever.
